

In today's competitive landscape, there are many companies out there who offer some of the features our complete solution provides. ChapterSync™ is the only solution to combine all of these features in a single easy-to-use platform to save you up to 66% every month*:

ChapterSync™ All Inclusive Platform - Introductory Price **\$599/month** + one time only 599 set up fee.
(Save up to 66% vs the DIY Services)

We provide **22 digital marketing services**** which if you compare them with Do It Yourself (DIY) programs it would cost you over **\$1491 a month** plus hardware, transaction fees and your time keeping them up to date.

CHAPTERSYNC'S PLATFORM INCLUDES THE FOLLOWING:

In addition to saving you over 66%, unlike the other DIY competitors, we provide unparalleled customer service with a dedicated Business Specialist to help you every step of the way.

Don't take our word of it. You can find these rates yourself on their websites!

*Depending on which functions will be included in your service.

**Certain services will depend on providing an updated customer mailing list, local event activity calendar and competitor store information. Additional charges might apply for custom requests of content or additional services depending on the number of outlets/stores/branches participating in the program.

As of today, 90% of past participants have renewed their commitments to the ChapterSync(TM) Platform.
